

To whom it may concern

COSMETIC RAW MATERIAL PRODUCT REACH STATEMENT

We hereby declare that all our products are in fully compliance with the REACH Regulation 1907/2006,

because

- All substances, imported or manufactured by Dr. Straetmans GmbH, which are subject to REACH Regulation have been pre-registered by Dr. Straetmans GmbH within the legal time limit. None of the substances pre-registered by Dr. Straetmans GmbH have to be registered before 31.05.2013
- It is confirmed by our suppliers that any used raw material, which falls under the REACH Regulation, has been pre-registered by its manufacturer or importer and will be registered in accordance to its annual volume in sales.

We hereby confirm, that Dr. Straetmans GmbH will assure that all raw materials employed in one of our products will be registered by us or our suppliers in due time.
